“ It saddens my heart to hear the passing of Gwen. She was a wonderful sister in law and friend of mine for many years. She always made me feel part of the family even though I divorced after 5 years. I will cherish the many memories we shared in the past. She was so loving and caring and giving. She was always there for me when I needed her help, like helping me give my son Dustin his first bath, and when I sprang my ankle on a camping trip giving Teresa a ride on a dirt bike in the Apple Orchards. Dustin was only six weeks old and I had to crawl and limp around but Gwen came to the rescue and helped me with everything. She was so funny and full of life and loved her family dearly. I enjoyed the times spent with Gwen and the family, the camping trips, the weekends at Billie and Teeter's cabin, the birthday parties and Easter egg hunts when the kids were small. There's so many good memories the list could go on and on. I'm so glad I got to visit with her the last time I was in Roswell. She was a wonderful wife and mother and grandmother and daughter and sister and aunt and sister in law and friend to all who knew her. I will miss her dearly but I feel she is in a better place now, with her husband and son and her mom and dad. My prayers are with you Teresa and your entire family.
Love, Susie
