“ Harold was a wonderful man! David and I used to ride with him and Betty when we all belonged to the Goldwing motorcycle chapter here in Roswell. Ronna and Dale would ride with us some too. We always enjoyed Harold's company - he was always so positive about life and was just a pleasure to know. Your family is in our prayers for comfort and peace. Harold will be missed!!

“ I have some pleasant memories of Harold, Betty and the girls from my growing up years. We had some fun camping trips together to Death Valley, Lake Amistad, Baja California and others. Harold was always happy and joking. One thing I remember about Harold is he liked spicy food. One morning when all of us were out camping in the middle of no where, Harold was making breakfast and he was putting Doritos in his scrambled eggs and asked if I wanted some. I thought that sounded awful at the time, but it sure sounds good to me now.  
The Lord is our Shepard. Rest in Peace, Harold.
