“ *God Bless all of you. My Aunt was a special blessing and love in my life. She had a wonderful sense of humor and reminded me so much of my own mother, her sister Ida. That is why I hold a place in my heart for her. We will all miss her laugh and smiles she put on everyone's face. Auntie I love you so very much, you will be missed by all who loved you. Donna*

“ *There aren't enough words to express my sympathy to the family. My Great Aunt Helen was such a wonderful person. And although I only had a few precious moments with her over the past many years, they were truly a blessing. Her warmth and sense of humor were so very uplifting. She reminded me so much of my Grandma, Ida Eno, and it is comforting to know that they are together again. Love to All. Lisa, Bob, Diego and Zachary.*
