“ *To the Sedillo-Padilla family,*
We would like to share our deepest condolences with you all for the passing of our dear friend Helen. We were blessed with the opportunity to grow closer in our friendship over the last few years and helped each other to cope with the passing of our loved ones. Now she too has passed on to be with our Savior and our hearts break for you and the loss of your mother.
I wish I could be with you to share your grief, but unfortunately, I am recovering from eye surgery and unable to drive myself. But please know that my thoughts and prayers are with you during this difficult time. Please know how precious Helen was to me and how horrible I feel that I'm not able to tell her goodbye, but I know that I will see her again as will you. We have been promised by God that we will be reunited with those who we love

Whispers From Heaven

When I left this world without you

I know it made you blue.

Your tears fell so freely,

I watched; I know this is true.

While you were weeping,

Days after I passed away-

While all was silent within me,

I saw you kneel to pray.

From this wonderful placed called Heaven

Where all my pain is gone,

I send a gentle breeze to whisper,

"My loved ones, please go on".

The peace that I have found here

Goes far beyond compare.

No rain, no clouds, no suffering-

Just LOVE from everywhere.

You need not be troubled

Just stay close to GOD in prayer.

Someday we'll be reunited

My love, HIS love surrounds you always,

EVERWHERE
