“ *Henry was a very special person with a kind heart and generous spirit. Anyone who had a chance to know him was blessed.*

“ *I can still remember visiting Uncle Henry and Gerlene and the kids when they were in El Paso and then after they moved to Dexter. I was only about 5 or 6 yrs. old then and am 57 now. One thing all of the White's had that I hope all the rest of us can continue and that's the ability to put in an extremely hard days work. They all learned how to work back when they were kids picking cotton. Daddy (Lineol) said that's some real tough work and real long days doing it. I promise I have taught my two boys how to work hard and continue the White's reputation. Every one of those White kids built and empire in the end and started with absolutely nothing. Grandpa just taught them how to work and they took that one great ability and became Giants. God Bless you Uncle Henry.*

“ *Debbie, Mike and family.
I did meet my mother, sister and brother-in-law at the Funeral home and paid my respects to Uncle Henry. He was one of my dear uncles and I will miss him very much. I am not well yet from a surgery and John has pneumonia so we could not make it to the funeral-I am so sorry. Vetha, my sister, took mother. It was hard for her to lose a brother whom she loved and admired. Please know we all love you and our prayers are with you. Berna Wrinkle*

“ *Native American Prayer: I give you this one thought to keep-I am with you still-I do not sleep. I am a thousand winds that blow, I am the diamond glints on snow, I am the sunlight on ripened grain, I am the gentle autumn rain. When you awaken in the morning's hush, I am the swift, uplifting rush of quiet birds in circled flight. I am the soft stars that shine at night. Do not think of me as gone-I am with you still-in each new dawn... Mike, Helen & family...know we are thinking of you and wishing you comfort and peace...Love, Owaissa & Mike*

“ My deepest sympathies are with all of the family members of Uncle Henry. He was such a sweet man, I am so glad I did go visit him a few years ago. I felt sad for him, when I visited, because he was not able to do any of the work he had done all his life & really enjoyed being so productive & useful as he always had been in his healthy, earlier years, due to his bad health. I will miss him, he was such a dear man. God bless you all Patsy White, Lacasse
