“ *Hilda was an awesome woman. I always looked forward to spending time with her to see what new little saying, joke or wise crack she would come up with next. She never ceased to amaze me with her quick wit and humor. I will miss her tons and tons. I always left Roswell with less money in my pocket because we always played cards and SHE ALWAYS WON!
I am blessed to have been welcomed into this family and to have had the opportunity to know Hilda. I have many wonderful memories of her.*

“ *My Aunt Hilda would always greet me with "Who is your favorite Auntie?" Without a doubt, she stood firmly as one of my most cherished relatives.
She wouldn't think twice to drive hours to see my mom (often on a whim it seemed). Her presence at my mom's 80th birthday was poignant even though I'm sure that the long trip could not have been easy.
Tia Hilda lived her life with zest and I imagine she wasted not even a single moment. I never heard her complain and she always had a joke in her hip pocket. I know of few women that could match her strength, vigor and gentle smile.
Rest in peace, Tia Hilda. I have no doubt that you are now with our father in a peace that cannot be matched on this earth.
To Irma, Rodolfo, Becky, Raul and Rene, you are certainly in my prayers. Your mom is a very special soul.
I will miss you, Tia, and I will always love you.*

“ I worked with Hilda at the JOY Center. She was always such a spark and so energetic. Until I saw the obituary I didn't realize she was in her 70's she was always so young at heart. Hilda will be missed greatly.

“ What a character this lady was. I never saw her at the Joy Center that she didn't have a big smile. I didn't know her well, but she always had a hello for me when we met. She will be missed by one and all.

“ *My Dear Ones, How sad I was to learn about Hilda. You were very blessed to have such a wonderful person in your lives. Hilda and I worked together, played together and had so much fun together. She was a ball of fire!
I especially remember her always telling me that when she died she wanted to have the whole parade at her funeral. Well I am sure that when she reached Heaven she did get there with her whole parade. She brought a lot of fun and cheer to so many people that you will never ever imagine how many lives she touched. She certainly had the magic touch when it came to making people feel better.
When we played Bingo she had everyone at Bingo calling out "B 3" when B 3 came up. That was her specialty. Everyone at Bingo will always remember her forever when B 3 is called out.*

She loved you all very very much and always told stories of you. She was very proud of all of you. When you were coming for the Holidays she would always tell me how she was going to have to take the fern off the stove darn it!!! But she was always so happy to have to do that.

Sadly many people go through life and never never touch the hearts of many, but, your mom did!

I loved her very much and will always hold her dear in my heart.

“ *Hilda was always so full of life, and love. She always had a smile for you, greeted you like you were a long lost friend and always, always was willing to help you in anyway she could through deed or words of encouragement. She helped me a lot through the difficult time I'm going through and I'm going to miss that smiling soul. God truly picks the best for his garden but she will always be in my heart. Thinking of and praying for all of your family and if there is anything I can do for you please let me know. Judy Evans*
