“ *Dear Rose, I remember you fondly from high school, and in my heart you've always been Rose Marie. My cousin, Edith Holden, called me about your recent loss of your husband. I lost my husband thirteen years ago, and so I sympathize with your pain. My most sincere regards. I would love to hear from you, Your friend, Audrey Neill*

“ *I'm so sorry to hear this sad news. Homer was always so nice to me. I would not have gotten my GED if not for him going to the classes and to take the tests at the same time. He also helped me leather tool a wallet for my grandfather for Christmas that Grandpa Hays really liked. For Grandma Hays, we, meaning Homer, made her a bear claw necklace which my mom got when she passed away and I got when mom passed away. He was truly a good person and I will miss him terribly.*

“ *Homer Beard was one of the nicest people i have ever met, and was the greatest grandfather anyone could ever ask for. I wish that i could have gone down to new mexico more to see him more often and to get to know him a little bit better. Homer will always be remembered and thought of constantly.*

“Homer was a great neighbor! He and Rose were my neighbors at their Farmington home from 1990 when I first moved into the neighborhood until their move to Roswell last year. He was always in his yard doing creative landscaping and gardening, and he was generous to me and all his neighbors with delicious tomatoes, cucumbers, lettuce and other goodies from his garden. We spent many, many entertaining moments talking over the front or back fence about any number of subjects, and I'm sure we solved many of the world's problems at least in theory. I had hoped to see Homer and Rose on a trip to Roswell, but just haven't made it yet. Nobody ever anticipates or thinks of the inevitable. So-long, Homer! I'll miss you.
