“ Though our lives were headed in different directions many years ago, we both never stopped loving and cherishing our two children, Angela and Isaac and I know you were just as proud of them as I am.  
We were Blessed with so many beautiful grandchildren too and I thank God every day for them all just as I know you did.  
From all of us, you, me, Army, Angie and Isaac all going to the lake together to you "guys" going golfing and throwing horse shoes together, to all of us being together at every Holiday dinner or birthday, I think we have done it all.  
Army and I became a lot closer with you this past 10 years or so and I know you are going to be missed greatly in the coming Holidays and years to come. Rest in peace Howard. Our hearts are broken. We love you.

“ To the Family of my dear friend and neighbor. Last Saturday night I lost one of the few friends that I could count on. But it is deeper than that. Howard would do anything and could do anything. I will cherish my memories of his neighborly companionship forever. My heart is broken and I was devastated when I heard of his passing. I remember when I first met him when he rented his house that he owns now. He asked how much rent. I said \$500. He slammed five \$100 bills in my hand and I slammed the keys in his. A lifelong friendship was just started. You can be so proud of Howard Hicks. Never forgotten, always remembered.
