“ *My sweet little grandma. I've missed you and it breaks my heart I was unable to say goodbye. I still have the tags you gave me a couple years ago hanging from a small hook in my room. You told me to keep it with me and I do. Every trip it's near me. I will always regret not being able to see you more, but hope you knew how much I adored you. There are so many conversations we had that I'll never forget. You always reminded me to be proud of myself. I was always proud of you, too. You were so strong and full of life. Lexi and I love you dearly. Wendie*

“ *Dear Dorothy and family, My sincere condolences to you and all your family. Mrs. Pulley was a wonderful woman and I have lots of wonderful memories of her when we were young. She's now in a better place and I can bet she's saying...Now Dorothy , don't worry. I'm fine. She's more than fine. The last time I saw her she came into my store looking for a Bible stand. Peace and blessings to you and yours, Vicki*

“ We lived next door to Mr. and Mrs. Pulley for over 40 years. I miss Mrs. Pulley very much. She was always happy, friendly, and loved life. Always had time to visit over the back yard fence. She loved our family like her own. My husband, Allen, and Mrs. Pulley shared the same birthdate, Feb. 10. Her love for the lord will never be forgotten. Many times she would express how good she felt and was ready to conquer the world. Mrs. Pulley, you lived a long life and will never be forgotten. May you rest in Peace and may the Lord comfort the family today. Rose Smoot

“ *Sorry I will not be able to attend her memorial service, but would like to extend my sympathy to the whole family. I so enjoyed getting to know Inza when I would teach the Bible Study at Villa Del Rey each month. We will miss her! I have known different family members over the years and we enjoyed visiting about that. May God bless you and comfort you. Jerry (Seale) Stone*
