I'M FREE

Don't grieve for me for now I'm free,
I'm following the path God laid for me
I took his hand when I heard him call,
I turned my back and left it all
I could not stay another day,
To laugh, to love, to work or play
Tasks left undone must stay that way,
I've found that peace at the close of day
If my parting has left a void,
Then fill it with remembered joy
A friendship shared, a laugh, a kiss,
Ah yes, these things I too will miss
Be not burdened with times of sorrow,

I wish for you the sunshine of tomorrow
My life's been full, I've savored much,
Good friends, good times, my loved one's touch
If my time seemed all too brief,
Don't lengthen it now with undue grief
Lift up your heart, rejoice with me,
God wanted me now, He set me free.

Irvin's tribute was written in his honor by his family.

“ *My condolences to the family. Uncle Irvin was always a good man to us. I remember him and my dad making jokes for hours on end. Irvin really knew how to make you feel special even if he was making fun of you it was all out of love. He will be deeply missed. I hope my dad greeted him at the golden gates of heaven. Attached is a picture of my dad and him.* 🥺

“ Irvin was a true friend. He took me on my very first hunt and I learned so much from him. He was always cracking jokes and making those around him laugh. I still quote some of his little sayings to this day.
