“ Isaac what can I say I knew you since 3rd Street when we were still in elementary school you were always a good true real friend and although life took us down our own paths we still would run into each other and exchange info and catch up to see us grown and parents is something special cuz most friends don't stay friends but it just goes to show just cuz we didn't talk all the time or hang out very much and although we come from different walks life and have different lives and different problems doesn't mean we can't be friends you were a good friend a amazing father and most of all great soul you were pure bro 100 on that and I thank you for that homie so until we meet again later homie watch over us all G!!! Always your homie Theodore Contreras (Troubl3)

“ I still can't believe such a precious gentle giant is gone from this earth. When I spoke with you last it's was about your family and getting back to work. But you know i have always held a special spot in my heart for you just like a son. When we talked we always ended our conversation with remember GOD IS GOOD, MERCIFUL AND LOVING. I will miss you dearly. Thank you for taking such great care of our earthly angels. One especially will forever miss you! Thank you for being you, kind, caring and just a sweet guy. You will be missed by many, Thank you for being my Friend and Son❤️ Will Always miss you but I will someday See you again Forever in the KINGDOM OF GOD.

With Love your friend,
Claudia ❤️
