Then little children were brought to Jesus, that He might put His hands on them and pray; but the disciples rebuked those who brought them. But He said, Leave the children alone! Allow the little ones to come to Me, and do not forbid or restrain or hinder them, for of such is the kingdom of heaven composed. Matthew 19: 13-14.

Entonces le fueron presentados unos niños, para que pusiese las manos sobre ellos, y orase; y los discípulos les riñeron. Jesús dijo: Dejad á los niños, y no les impedáis de venir á mí; porque de los tales es el reino de los cielos. Y habiendo puesto sobre ellos las manos se partió de allí. San Mateo 19:13-15.

When I must leave you For a little while- Please do not grieve And shed wild tears And hug your sorrow to you Through the years, But start out bravely With a gallant smile; And for my sake And for my name Live on and do All things the same, Feed not your loneliness On empty days, But fill each waking hour In useful ways, Reach out your hand In comfort and in cheer And I in turn will comfort you And hold you near; And never, never Be afraid to die For I am waiting for you in the sky!

“ Hello my cousin. I only met you once in my life. It was 2 years ago when I went on vacation. You and your brothers my other cousins and I we all hung out. I remember meeting your puppy and seeing your room and climbing on your roof. I was scared on that roof but if I would have known that would happen in the future I would be even more scared. But it's too late. I will miss you very much and one day in the future we will meet again.

“ ANA, JAIME & FAMILY SO SORRY FOR YOUR LOSS. PRAYING FOR YOUR FAMILY IN THIS TIME OF NEED. READ THIS POEM AND THOUGHT OF YOUR PRECIOUS DAUGHTER. STAY STRONG AND HAVE LOTS OF FAITH IN OUR LORD. ISABEL IS NOW A GUARDIAN ANGEL IN HEAVEN. LOVE DOMINIC & ANABEL

*"It's so difficult to let you go
Though death's left us no other choice
We're mourning the loss of never seeing you again
Of never hearing your precious voice
It seems that in life there are certain times
Which are more than "simply unfair"
When our hearts search out for better answers
But cannot seem to find them there
And such is the case at your passing
Contemplating the briefness of your life
All the great things that you still would have done
If you'd been granted a little more time
It isn't difficult to envision the possibilities
For look at what you'd already done
The difference you'd made in so many lives
In all that you had become
Perhaps you were simply too good for this life
So God called you back to Heaven
That your life needed no further testament
Than the goodness you'd already given
But regardless of the reason
For why you had to depart
We will miss you every single day of our lives
For you were the pride of our hearts!
Thank you for being our example
Inspiring us through your courage and drive
We'll cherish all the precious memories
You lovingly created in our lives
For truly, your life reflected
A wisdom that few, so young, can see..."*
