“ *I just found out about Isidro'd passing. When Izzy moved to LA he befriended myself and my best friend Danny. We were both from NY just arriving in LA to follow our dreams of music. He had just arrived from Roswell to hang with a friend named Porfilio. Isidro and I became very close. I loved him and he had the biggest heart of anyone I ever met. I still live in LA and was traveling through Roswell for the first time so I tried to track him down tonight and found this.. I love you Izzy.. Joey Palmeri (guitarist)*
