“ *My deepest condolences to you Aggie, Tina and Johnny and family. He was a good man. I enjoyed our conversations and almost every time I went over to visit he would ask if I had any good music for him. He will be missed by those who knew him. I am very fortunate to have gotten to know him. May God wrap his loving arms around each and every one of you and give you comfort and peace at this time of sorrow. Fly with the angels my friend.*
