On August 28, 1964, Israel was born to Manuel and Patsy Morales in Roswell, NM. Throughout his life, He touched the lives of those around him he made people laugh and love him with his quick and honest responses. Israel's favorite responses and interjections in conversation were Nothing's for free, you better believe it, and that's the truth. No matter the topic he used this at every opportunity.

Israel's life was filled with joy and friendship with family and many strangers who became friends. Israel was a special needs child of God who was precious to so many beyond family members alone. Though he was ill he continued to fight.

His sister Vera Meza and Reyes Barron had the privilege of Israel living with them the last two years of his life. Where they enjoyed each other's company

and wit. They went on trips to see the ocean, went fishing, to casinos, sang and danced to Israel's favorite songs, laughed together, etc., and visited many of his family and friends. He was loved by so many and will be truly missed.
