“ I haven't seen Bunny since I left Roswell in 1973. Besides being her aunt, she was a good friend and close in age to my mother, Evalyn. They even took a vacation together years ago back to Missouri to see "the old home place". One of the few memories I have of her is riding in a big black car she had when I was a child, in the sixties. I invite anyone in the family who reads this to correspond with me, I would love to hear from any/all of you!
