“ *I just met a lady from Fence Lake last week. We were talking about you guys. I remember all the great times we had with you guys! I'd love to hear from you! My email is: jkdgrob@hotmail.com*

“ *First of all I send my sincerest sympathies to you and your family during this time. We don't know eachother but I have to say the Balok last name caught my attention. You see that was my mothers maiden name and she too was from Gallup NM! I was just wondering if there is some relation, since Balok is not a common name. That would be a treat to know that I may have some family here or to learn more about my moms family history. I know this is the most inappropriate time and for that I apologize. I would like for you to email me or call me 575 420 6401 sometime in the future to see if we may be family. Again I apologize if you find this inappropriate and you have my deepest sympathies. May God Bless you all.*
