“ *My deepest sympathy to all of you. The Shaw family has been great wonderful friends. Mark was special to all of us especially to our sons whom he teased in church. I will miss knowing Mark is not there. He was a great help to me when George passed. Blessing to all of you as you go through this loss.*

“ *Mark made us all feel like champions. He put up with Bobby, Mark Tidwell and myself for years. I never figured out how he knew Bertha was cooking a roast. His talent with horses and a rope was something to see. We will miss you. Thanks for being there.*

“ Raymond and I are so sorry for the loss of Mark. What a great guy Mark always was, always a smile on his face, one that would light up a whole room. Loved to hear him laugh. While he is gone on now, his memories will last a life time. We are praying for you all as you go through this process of saying an earthly goodbye and the silent days ahead without him.

“ 4-H and school memories will remain as I remember a good friend who always made mischief and fun times. Prayers to all and just remember the good times because those far outweigh the bad ones.

“ Dick, Gary, Maryjo and family: I am heartsick to hear of Mark's passing. Please know that you are and will continue to be in our thoughts and prayers. We all grew up together and this is a loss for our family too. When I think of Mark I immediately laugh, because that's always what he made me do with his teasing....and he was always teasing me. You are all so special to us and if there's is anything that the Finch Kids can do please let us know. God's blessings to each of you. With much love, Denise (Finch) Lake

“ Dear Dick, Glenna, Gary and MariJo,
Please accept my heartfelt condolences for your loss of Mark. My heart goes out to you and I will be praying for you today.
I had a chance to talk with Mark a few years ago, when I was home visiting my parents. In the course of our conversation, he mentioned that he was attending the Presbyterian Church. I wish I had taken the time to hear more of how Mark came to know the Lord, but it is comforting to know that Mark was a Christian and was attending Church. That can be a comfort for you as well, during this time of sorrow.
We never know the details of God’s purposes, especially for the timing of His taking our loved ones home to be with Him. But we can rest in His love and goodness, that His timing is perfect, and His purposes are trustworthy.
It is recorded in God’s word for us, that on more than one occasion, Jesus wept when seeing how people were grieving over the loss of a loved one. Jesus comforted them with loving compassion. That is the disposition of His heart towards you today.
My prayer for you is that you may be able to draw close to God during this time of need, and benefit from His loving care for you.

“ Lemar and Marka, I am so sorry. I will never forget the times we spent together on the ranch at holidays. Your dad had a laugh that could make the whole room laugh, even if they didn't know the joke. My prayers and love are with you all.
