For Dad.....

To be heard, without saying a word,
To be hugged when I'm feeling blue,
To be understood, when I'm confused,
So rare was a Dad like you,
Your loving crooked smile, and gentle laugh,
Made all the difference in my day,
Your endless wisdom and timeless advice
Always helped me find my way,
In you there was no equal,
You were in a class all of your own,
And because of all, the love you gave me,
I'll never be alone,
It's an honor to have known you,
To have shared stories and dreams,
I'll always be thinking of you smiling,
No matter how tough life seems,
You're still special beyond compare,
Your heart so kind and true,
I wish that everyone could have such a Dad like you!

This tribute was lovingly written in honor of Jackie by his family.

“ One memory of my Grandpa Jack that I cherish so deeply is the time he and my grandma visited my dad's house and I cooked gumbo and he was so cute and happy eating his gumbo, I love and miss him everyday and I'm so glad I got to have him in my life.
