“ *Mary and Ron, so sorry to hear of your loss.. but she is in a better place and now free of pain and confusion. Was going to bring a casserole and attend the funeral, but I am laid up with a terrible cold and cough with chills and fever, and will keep my germs to myself. You will definitely be in my thoughts and prayers. God Bless your whole family.*

“ Jackie was a very special person. In 1994 we were in the process of moving from Roswell to Midland Tx. I hurt my back and had to have surgery. Half our household stuff was in Midland including our clothes washer Jackie came to our house nearly everyday and got our laundry took it home and washed everything thing and brought it back. I would say she was very special person to me and my wife. Our prayers are with her family. We will never forget her.

“ *I remember when I was a little girl she would come to Oklahoma and see her stepmom, she would set up a table with jewelry at TG&Y to sale. We would go by there and visit her. Aunt Jackie would always tell me stories of my dad Newton Case and other siblings. We would have a great time laughing and eating always food around. Aunt Jackie you will be missed by friends and family.*
