“ These are my footprints so perfect and so small. These tiny footprints never touched the ground at all. Not one tiny footprint for now I have wings. These tiny footprints were meant for other things. You will hear my tiny footprints in the patter of the rain. Gentle drops, like Angels tears of joy and not from pain. You will see my tiny footprints in each butterflies lazy dance. I'll let you know I'm with you, if you just give me a chance. You will see my tiny footprints in the rustle of the leaves. I will whisper names in the wind and call each one that grieves. Most of all, these tiny footprints are found on Mommy and Daddy's hearts, because even though I'm gone now we'll never truly part “.
