“ *To My Friend and Ex CoWorker, Elaine, I couldn't hardly believe that Sandy has gone to be with the Lord. It saddens me, but realize that all of us are here on Earth for a brief moment. You and he were such a blessing to know personally. My prayers and sympathy go out to you and the rest of your extended family. Your other Brother in the Lord! Rudy Hunter*

“ I worked with Sandy until he retired. He was always the same, had a good sense of humor, and always had a treat when I went to his classroom, and we didn't need the treat. After he retired, I would visit with him, when we would run into each other. He was a great man, I enjoyed our conversations. I will miss not seeing him, and having those conversations. He was one of those people I had the honor of working with when I came to Dexter.

I am so glad I had the opportunity to have worked with Sandy.
