“ *Cecelia and David, I just got the devastating news about Lynn passing away. I don't know what to say. Kathy and I send our deepest sympathy and condolences to you and your families, and to Lynn's extended family, whom I've not yet had the privilege to meet. Lynn and I became friends for life when my family moved onto Mimosa Lane in 1961. We had so much fun together. You guys might remember I practically grew up with you in your household. Well, I remember it ALL. You, Tessie, your wonderful Mom and Dad, and your dear brother, my friend, Linnie. I'm aghast to say it's been about 18 months since he and I last talked. That's the longest stretch since we met. I missed some big events in his life, as he did in mine. I'll regret that forever. But I'll keep all the memories of him that I have in my heart for all of my days. May you all find comfort in time, and may he rest in peace.*
