“ Donna and Family, Sorry I can't be there with you but just know I'm there in spirit. Everytime I see a Semi I think about Jim. It was so nice when he would stop for a visit when he would drive through Tucson. We will miss him, but know he is in a much better place and out of pain. I know there is much pain now but at least you have God by your side to help you through. God Bless and be with you and comfort you. Lots of love to all.
