“ *Very sorry to learn of Jim passing. First met him at track meets - so long ago. I would see Jim occasionally throughout the years and we would always have a nice visit and I would be left with a good feeling. Gonna miss you buddy. Godspeed.*

“ *We were neighbors when we were young on Davidson Drive. When I look back at the times we had together with Jimmy, Janice and Jinny, I get teary eyed. God bless you all - I will miss our snow ball fights and all the good times we had together. My sister Jan sends her prayers and love as well.*

“ *Jim was my uncle. He will be missed. It makes me sad he wont get to know my son as he grows but our family has gained a guardian angel*

“ *Jim and I had lots of great times. And we also had some bad. He always showed me how much he cared about me. Little bit misses him. He lays by the front door looking for Jim. When a car goes down the road he almost breaks his little neck looking. Like they say I wish I could turn back time. I love you Jim !!!*
