“ My memories of Miss Janet are filled with a glowing smiling face. I don't remember a time that she didn't have a ready smile and a hug for anybody. It didn't matter who you were, who you were in a relationship with or what you did for a living, Miss Janet loved you for who you were on the inside. She welcomed everyone with open arms and an open mind. She was smart as a whip and oh so loving. I will miss her greatly.
