“ I sure miss you mom. I look at all of the artwork in your album and I am still blown away at the talent you possessed. You are missed and I still have questions only you can answer. I love you so much mom.

I knew Janet in the mid '60s in Elida, NM. She was a lovely person and a dear friend. Both of us had lost babies, she a son and me a daughter. We both loved to sew and draw. She handmade a tiny pick dress and bonnet for my daughter who is now 57. I've often tried to find her and only succeeded tonight. I am so sorry for your loss. Would love to hear more about her life.
