“ You were taken from us far too soon! I think of you often and you will always be part of me. I thank God each and every day that he brought you in my life and into my kids lives.

*There are so many memories that come to mind. Bottomless Lakes with you and “D”, the water fight in my Explorer, Jade, Dylan, Tristan, D, you, and I at the Zoo/Park, talking and texting for hours, having private text conversations while being surrounded by others, the list goes on.*

*You will always be loved and missed.....😭*

“ Janette, I am so glad we got to visit the last time you were in town. You were so bouncy and happy and proud of your children and grandchildren. It brought back so many memories of when you all were teenagers. Still can't believe you were 40. Time flies by so fast.

“ *Janette, neither time nor distance were ever able to change the love I had and still have for you. You taught me a new definition of what that word meant. I will miss you everyday until we meet again. I still have a hard time believing that you are gone. Save a place for me up there and I'll see you when my day comes. I love you Janette, always*

“ Net-Net ("ney-ney"). I met you at cowboy's where you came roaring in, no shoes, throwing candy at us to bust balls.. I hope you are having just as much fun up there in heaven! I wish I had gotten to know you more and spend more time with you. But, I'm thankful that I got to even meet you and get to know you for the short time I had.. Go figure I ended up out there by freak accident.. Little did I know, I'd get to meet you on earth just before you were taken too soon! May your soul rest easy mama!
