“Son, I miss you. I love you, and you will always be in my heart.”

Love, your Mom

BROTHER

You gave no one a last farewell,

Nor ever said good-bye.

You were gone before we knew it,

and only God knows why.

A million times we will miss you.

A million times we will cry.

If love alone could have saved you,

You never would have died.

In life we loved you dearly.

In death we love you still.

In our hearts you hold a place,

No one else can fill.

It broke our hearts to lose you,

but you didn't go alone,

for part of us went with you,

the day God took you home.

We will meet again someday

I know in a better place.

I thank God He made you our brother

While you were here on earth.

“*Dear Cousin Annette, girls & family, While the loss of one of our beloved family members is never easy, even when anticipated, it is most certainly the hardest when they are taken from us too soon. The recent loss of Jared who was taken from us at such a youthful age is definitely in the category of those hard losses for which there is so painful a reminder of what might have been.*

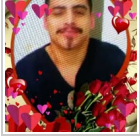

Craig & I offer our sincere condolence and deepest sympathy on our your, the girls & our family's loss. May the outpouring of sympathy, the kind acts of friends and strangers and the comfort in knowing that your loss is felt by many, help you through this difficult time.

We ask for God's blessings on you and our family. May you & the girls find the courage and strength to move forward in peace and confidence and in knowing that his was a life well-lived and that he was loved. When I think of Jared he will always bring a smile to my face.

Love & Hugs,
