

Jason Fields

October 26, 1982 - March 13, 2011

A funeral service for Jason Ray Fields, 28, of Roswell will be held 2:00 pm, Friday, March 18, 2011 at Anderson Bethany Funeral Home. Burial will follow at South Park Cemetery. Visitation will be Thursday, March 17, 2011 from 10:00 am to 7:00 pm at the funeral home. He passed away Sunday, March 13, 2011 in North Dakota. Jason was born to Curtis Ray Fields Jr. and Teresa Ann Jones on October 26, 1982 in Farmington, NM. He loved to listen to music and the great outdoors. Jason Ray loved country music, George Jones and a great BBQ, his hound dog Harley, and hunting, fishing, and camping. He was a great man that spent as much time with his family as he could, you could always count on his smile, jokes, and telling stories. He will be greatly missed by all his family and close friends. Those left behind to cherish his loving memory are his son Joe Ray Felipe Fields, step daughter Alana Taylor Bostick, fiancé Helen L. Brusuelas, mother Teresa Guebara and husband Mike of Alamogordo, father Curtis Fields Jr. of Colorado, siblings Lacey Jones and her daughters Alex and Jennah of Alamogordo, Joseph "Boy" Fields of Alamogordo, and Chance Ramirez of Dexter, maternal grandparents Joe and Ginny Jones of Okolona, MS, paternal grandparents Patti and Lloyd Butler of Phoenix and Curtis Fields Sr. of Phoenix. Special family members: Grandpa Joe taught Jason Ray how to hunt, fish, work on vehicles, and how to be a man. They spent a lot of time together as he was growing up. Jason Ray loved his Grandpa like a Dad. Also, Kay and Felipe Galindo and their grandson Adryan. Kay and Felipe were like parents to Jason Ray, they loved

him like he was their own. Frank “goose” Gustamantes, Felipe and Adryan made the long journey to bring Jason Ray home to his family and this act of kindness will always be remembered as a reflection of their unconditional love for Jason Ray. Also, Natalia Dalton, Anna Alvarez and her son Karlos, Amanda Greene, Jason Torres and numerous other cousins and close friends. Pallbearers will be Roger Alvarez, Joe Chaves, Chance Ramirez, Michael Dalton, Frank “Goose” Gustamantes, Felipe Galindo, Joseph “Boy” Fields, and Jason Torres. Please take a moment to share your thoughts and memories with the family in the online register book at andersonbethany.com. Arrangements have been entrusted to Anderson Bethany Funeral Home and Crematory. One to be remembered With a laugh that came So effortless his presence Was a blessing with a Heart of gold so generous He left us with memories That we'll never forget A good man and close friend To anyone he met smoking grills and country gold, ice chest full of rock and roll A family man that loved his Friends we'll miss you so, Until we meet again We love you
Jason Ray

“ Jason will be greatly missed!! He had such a good heart and a great sense of humor and a unique way of making people laugh!! I loved him from the moment I met him and always will. Maybe now he finally knows that I never took a switch to him, lol (sorry, an inside joke but he knows what I'm talking about).

My last memory of Jason was a funny argument over which was the best George Jones song. He said Tennessee Whiskey and I said He Stopped Her Today. Both those songs have a new special meaning to me and I will think of him with a smile each time I hear either song. Jason, have a glass of that Tennessee Whiskey waiting for me when we meet again!

“ Jason's my first grandchild. Always with a little grin on his sweet face. Always joking and laughing. I never got to spend as much time with him as I wanted but the time we did spend together was quality time. His precious little boy will never know what a special person his dad was. Jason will always be in our hearts and will be loved forever. Grandma Patty

“ *I will never forget Jason. I am so lucky to have gotten to share memories with him. I remember his love for the Dallas Cowboys. He always talked about his Tia Rose and Tio Marty. He loved them so much. He was so proud of his family and loved all of them so much. I had never even heard of Boyz II Men until Jason introduced them to me. He loved the song "On Bended Knee." Every time I hear that song, I think of him. He will never be forgotten.*

“ I am married to Jason's cousin Chadd and I never personally met Jason but I know he was dearly loved by all of his family. I am sad to think now I will never get a chance to meet the man Chadd thought of as his brother and one of his best friends in the world. I just want to say that I am so sorry that this tragedy occurred and that I pray that whoever did this to Jason and took Joe Ray's father from him gets the punishment he deserves. I will keep all of the family in my prayers and God bless you all.

“ *It's always sad to lose a loved one, but it is worse to lose a young person with his life ahead of him. Jason was a member of a strong loving family and was loved by all. Such a nice young man, always with a smile and a laugh. Although we lived a long distance from each other we had the opportunity through visits to see and enjoy his company. The last time we saw him was at the big BBQ at GrandPaw Joe's. He was always such a pleasure to be around because of his personality and charm. Jason will be missed and thought of everyday by his entire family. May God Bless and comfort you through this tragic loss. Our prayers are with you. Aunt Martha and Uncle Harry.*

“ *Teresa, I am so sorry to hear about Jason. It's been a long time since I have seen him, but last time I saw him, he was doing just as you said. He was smiling, laughing and cutting up at a "feed" in Okolona. I hope you know that I will be praying for all of you! Praying that God will give you peace, comfort, and just hug you up and hold you right now. I love you and am thinking of each of you!*
