

Jaszabel Justine Hernandez

April 19, 1994 - August 20, 2019

JASZABEL JUSTINE HERNANDEZ, 25, passed away on Tuesday, August 20, 2019, in Roswell, New Mexico. Please take a moment and share a kind thought or memory with Jaszabel's family at www.andersonbethany.com.

SERVICES: There will be a Viewing for Jaszabel at Anderson Bethany Funeral Home on Friday, August 23, 2019, from 1:00 PM to 5:00 PM. A Celebration of Life will be held at Anderson Bethany Funeral Home on Saturday, August 24, 2019, 2:00 PM.

Jaszabel was born on April 19, 1994, to Victor Hernandez in Pecos, Texas and raised by her parents, Victor and Leandra Hernandez in Roswell, New Mexico. She graduated from Job Corps. A kind-hearted person with a gift of compassion, Jaszabel volunteered at Casa Maria and Sunset Villa. She loved the Dallas Cowboys; they were her favorite football team. Jaszabel enjoyed going for rides and listening to music. She liked to hang around with her friends. Most of all, she loved spending time with her children, who were her pride and joy.

Jaszabel was loved by many. She would light up the room with her smile and always cared for others well-being. Jaszabel had a beautiful soul and always looked to God for guidance. She had deep faith in God and liked going to church. Jaszabel will be happy to be reunited with her grandpa, Eddie, whom she loved very much. We love you, and you will be greatly missed.

She thought of Nikki Weebothee as her ride & die for life. He was her 1st love

and she would do anything for him, no matter what struggle or cause. Nikki was always there for her and Layla, as well as Laurence and Anthony. "Jaszy watch over your babies as you are now their guardian angel."

SURVIVORS: Those left to treasure and cherish memories of Jaszabel are: her three beautiful children: Layla Lee Weebothee, Anthony King Hernandez, Laurence Maxx Matthew Macias; parents, Victor Hernandez and Leandra B. Matta Hernandez; grandparents: Dorothy Servantez, Rudy and Julia Matta; great-grandmother, Frances Matta; brothers: George, Angel, Jacob, Victor Jr., Patrick; sister, Julianna Hernandez; aunts and uncles: Jason and Cristina Flores, Will and Dodie Garrison, Albert Giron, Rudie Matta, Daniel and Sara Melville; Nina and Nino: Flora Vigil and Robert Herrera; her precious pet, Honey, whom she left with her cousin, Fabian; and close friend, Alyssa Garza. **PRECEDED:** Preceding Jaszabel in death: her grandfather, Eddie Servantez; and great-grandfather, Louis Matta.

The family wishes to give special "Thanks" to all who have sent prayers, calls and brought food to the family.

“ *I've spent so long trying to figure out how to express my thoughts about the loss of someone in my family. Early in the morning on August 20th, I got a call that my eldest niece had passed away. Shock of course, was the first thing that was felt, then devastation. I met her when I was barely 7 and our first meeting was one of jealousy, a first for me at that time. I had to get over that once I realized she was a permanent figure in my life. All I can think of is, our countless pickups and drop-offs that we did while in elementary and catechism school. Numerous sleepovers where we watched movies or played dress-up. Days at the zoo trying to figure out how to pet the goats. Taking her out to eat when she turned 18 and visting her in the hospital when she had Layla(and messaging me when she found out about her). I still even have an old music folder on my laptop that was stuff she liked. I counted her more than my brother-in-law's daughter, but a sister since we were so close in age. So many memories that we've had over the course of years. I will cherish these memories and an infinite amount of others that I will tell to your children when they are older. I love you Jaszy.*

“ I would like to say thank you to the many friends and family for their prayers, condolences, the love, support, and fellowship. Also, the food that was brought throughout the week. Thank you to all of Jazzy’s friends that shared memories of her. Jazzy was a beautiful person inside and out especially her beautiful smile. She seen no faults in anyone and loved everyone. That spirit made Jazzy so sweet and beautiful. She will always be in my heart forever.

“ Jaszzy and I met in job Corp and we hit it off real fast. She was so beautiful and kind and her smile was was contagious. She cant lighten up a room with just a smile. She was such a great friend to me when I knew no one in new mexico and she took me in with out a question. She was there when I need her the most. So loving so giving. Just to know shes gone kills me. But I know shes in a better place now where she no longer in pain and in the arm of the lord telling her she no longer has to worry. Shes at peace now. I love you jaszzy soo much and I'll pray for yu everynight so you know yur here in my heart. ❤️

“ Jazzy, a beautiful, courageous, headstrong soul. You always had most beautiful smile that could light up any room or anyone’s day. You were such a loving mother, sister, and friend. I always praised your confidence and honesty with everything you did. I didn’t get a lot of time with you Jazz but you will forever be in my heart. I’m so grateful you got to come visit me and George with the babies and spend a lil bit of time in our home my memories of our laughs and love will remain precious. Rest in Paradise❤️❤️❤️

“ Oh Jaszy!!!! You Are Being Missed So Much. The Only Way I Know How To Describe You Is By Beautiful. You Were Always There When Needed And I Tried My Best To Show You No Matter What I Had Your Back Too. Nobody Could Ever Deny The Way You Shined Inside And Out You Shined Like No Other. Honestly You Were An Angel On Earther To Many. Im Missing My Road Trip Buddy! 🥺 This Picture Is From Our Last Ride. I Remember You Joking About Why We Always Do These Last Minute Trips. But Unplanned Or Not We Never Slacked On The Snacks And Good Times. You Always Found It So Funny And Would Laugh At The Fact We Would Randomly Leave All The Kids With Babydad And Get Us Some Mommy Time. And That We Did Without Any Particular Destination Or For The Littlest Reasons We Could Find We Would Just Drive For Hours And Giiiiirrrl, Those Talks Got Deep, Music Went High, Tears Came Flowing, But The Laughs Healed It All!! I Miss You So Much. But Dont You Worry My Crazy Girl. You Have A Village Looking Out For Those Precious Babies. I Promise You That. Remember We Always Said We Are Just One Big, A Little Dysfunctional, But Loving Extended Family And Thats Not Gonna Change Ever! Until I See You Again In Paradise. Rest Peacefully Babe 🥺💕

“ My beautiful daughter Jaszabel Justine Hernandez Rubio. I am going to miss you. I cried for you for so long when I wanted you to come back to my arms but I wipe the tears away and let the family have you. I was hoping they took care of you. You cried for help and you were in pain and the family never heard the cry and how much pain you were in. The stress and sorrow you were going through was the hurt you kept inside. The family will miss you, your sisters Chabriel and Rachels grandma, Rachel Pleasant and the rest of Rachels Pleasant family. Jaszabel you are with Jesus. He is taking care of you. You are happy now. No more pain, no more sorrow and no more stress. I remember when you would FaceTime me. I enjoy talking to my sweet beautiful daughter and seeing my grandkids. You would tell me everything. I will miss your smile and your laugh. I love you, my love 💕💕💕 God is taking care of you. 💕

“ Jaszy! I know we weren't close. But you not being here anymore to take care of your babies is something we'd never think would happen. The Lord only knows why and we can not question his decisions. Fly high and watch over the babies watch over all of us! Bring peace to those hurting for you. Love you Laurence and Erminda!

“ Meja I loved you the first day that I met you and your brother George, you were separated from us for some time.. But when you were grown and had Layla we met again. Like time never went by, we picked up just where we left off. You'd sit by me and we'd laugh and joke about everything. You'd call me on the phone and say grandma it's me JAZZY.. we'd talk for a long time and I'd always feel good when we ended our talks you'd say I love you grandma. If we ran into each other you'd give me a hug and tell me love you, How I wish I could have a hug from you.. Your smile and laugh, but most of all the love you gave me I will miss the most... I Love you baby ...forever..

“ I remember meeting Jaszabel in 4th grade. Me and her brother george used to be in the same class. When I met her she was always so sweet and nice. We ended up becoming good friends as well. It breaks my heart to know such a beautiful soul was taken so early. You had such an amazing personality and one of the best voices I've ever heard. ❤️ You were such a great mother to your precious babies and how my heart hurts for them to have lost you. I know you'll be watching over them and I hope they know how much you loved them and that your always by their sides. I'll miss you my dear friend, I'll be waiting for the day I see you again and see that beautiful smile of yours. I'm so sad I didn't have any better pictures of all of us.
