“ *I was saddened to hear of Javier's passing. I met Javier back in 2005-6 when we worked together for a company that did research in Portales, Roswell, and Carlsbad. He was a gentleman and trusted friend. He was a good story teller. He shared memories about his youth, funny things from his various jobs, and always had heartfelt words about his children! He stressed the importance of having a good education and how a person needs to be the best they can be, by living right and treating others with respect. He was quick to share his love of God and was not afraid to say what God had done for him. He was humble in that way...Many a time he gave me encouraging words, to say "Don't give up! God has a plan for you." My heart goes out to his family and friends. May you find peace in these days knowing how much he meant to others that knew him. He was a very kind man and my brother in Christ! Know that I'm praying for all of you that are hurting...God bless you. Carol Brady - Goodyear, AZ*
