“ I will miss my Grandma stites very much. I loved how she was so sarcastic and funny during her troubles. She never let losing her sight and getting ill get in the way of loving the Lord and other people. She was always warning me about eating before bed because it would give me nightmares, and wouldn't you know it she was always right about that. I loved to eat her shepherds Pie and her buel; although I was not to kinne on eating Jello with vegetables in it. She sometimes made Jello with carrots in it and it was never to appetizing to me so I never tried it. I will miss her but can't wait to see her in heaven worshiping our Lord and Savior.
