“ Jeanette you were my Ninos sister but you always treated me like family you would talk to me when you would see me out somewhere it seems like just yesterday you were walking up at my moms smiling and that day you made me hit your little homemade gravity bong I didn't want to but you talked me into it and now I'm glad I did that us a memory I will cherish for the rest of my life I'm still trying to wrap my brain around this it is so sudden and abrupt we will always miss you and love you Rest In Paradise Tia Jeanette 🙏❤️
