“ There aren't any words to express the sense of loss that I feel for my dear friend, Jeanette. She has always been my ray of sunshine for many years after meeting her online. She knew what true friendship meant and that my friends is quickly becoming a lost art. Nobody can ever take her place in my heart. Martha Henson

“ Jeanette was a true friend to all who knew her. Although I never met her personally, I regard her as one of my all time favorite people. Such courage and willingness to press on despite of a wearing illness well defines the type person she was. Willing to complete the journey even though the road was steep and rocky. She always had a smile on her face and her emails brought hundreds of smiles to her Pogo Pals. She will always have a special place in my memory. May her family prosper and continue to love each other as their mother loved each of them.

“ It was a pleasure to come to Jeanettes home every week. She always had a smile and enjoyed her dogs and family so much. The puppies and their antics made both of us smile and laugh. It will be a memory I will cherish. Her and her family are in my heart and prayers.

“ I was part of Jeanette's online community of friends at the Pogo game site. She was a dear friend to us. She will be deeply missed. I want to share with the family that Sunday evening May 18, many of her friends gathered on-line and honored Jeanette. It was with much fondness and laughter that we said goodbye to one of the nicest, sweetest, and most caring people we knew.

“ Jeanette was one of my childhood friends. She, Janice McKnight Eldridge Herd, Pam Hall and I "paled" around at rodeos, dances or 4-H county-wide get togethers. There was not much we feared. I moved out of state and lost touch. It pleases me to know that she was friends to many from far away places. May you all be comforted.

“ To all the members of Jeanette's family, I can't begin to say how much my wife and I enjoyed the online friendship we shared with Jeannette. I wish we would have had the opportunity to meet her in person. We are deeply saddened by her passing. You all have our deepest and most sincere sympathies. I will never forget how she cheered me up with her jokes, newsletters, pictures and stories while I was unemployed and down in the dumps a couple of years ago. She was a wonderful person and will truly be missed.

God bless her soul.

“ Jeanette became more to me than an online friend. I feel she was a real friend. She had a good heart, was loving, caring, sharing, warm, friendly and funny. She loved her family and pets above all else. She always had time to ask about me and my family and share a laugh or two. She also never complained about her illness. I will, and already do miss her.

May she rest peacefully for all eternity.

Sincerely, Judy (aka Daffy)

“ We are surely shocked and saddened by the passing of our online friend, Jeanette. She brought many many hours of love, humor and friendship to me and my family. She shared all with us, and allowed us to share our family pics and stories with all of our pogo friends through her website. Although we never met truly in person, I felt she was a close personal friend of mine! How sorry we are for your loss, please take care and know we said prayers for her and for you.
