“ Betty Jo,

*Homer and I were saddened to hear of the loss of your mom. I just wish I could have seen her before she passed. I have many fond memories of her, particularly what a wonderful cook she was and the beating her blue dodge took when we would sneak it away from school! She filled the enormous void in my life after I lost my mom for which I will never forget. May you and your family find peace and comfort during this difficult time. Our prayers are with you.*

*Much love,  
Homer and Debbie Trujillo*
