God saw you were getting tired

A cure was not to be

He put His arms around you

And whispered, "Come with Me."

With tearful eyes we watched you

And saw you fade away

Although we loved you dearly

We could not make you stay.

A golden heart stopped beating

Your tender hands at rest.

God took you home to prove to us

He only takes the best.

“ *I love you mom. We always say "you will miss me when I'm gone". Boy there is so much in that statement. Miss is not a good enough word. I miss our nightly phone calls and knowing I could pick up the phone anytime and my best friend would be there. I love and miss you forever/ May 16, 2020*
