“ Jeffrey was a regular where I work, and quickly became one of my favorite people. I enjoyed talking about music with him, and he never failed to put me in a good mood if I was having a rough day. He was kind, friendly, and just a great person to be around. My condolences to his family. You'll be missed, Jeffrey.

I worked with Jeff at a Kinko's Copy Shop in Van Nuys, California in the mid 1980's. We became good friends. There was never a dull moment when Steve was around. I am saddened by his passing.
