“ I'm just learning about this, and I'm broken hearted. I used to babysit Jared when he was a real little guy. He was responsible for getting me into video games. He got stuck on Mario when he was about 4 and was frustrated. I still remember the look in his eyes when I used adult problem solving to help him get passed the obstacle. I never new him as an adult, but sure loved him when I knew him. John, Stephanie, miss the whole family. Hope everyone is doing okay. Much love.
