“ Grandpa Kenny use to come down to AZ to take me to see my mom when I was younger. This particular time happened to be my favorite time. Everyone was at grandmas house, including Uncle Jerry. We were all playing games in the back room and I was sitting on Uncle Jerry’s lap. Uncle Jerry said, I heard you liked to sing and he had me singing on his lap - he told me one day I would be something real big in life. To this day I am still striving to be something big in life. Until I see you again Uncle Jerry. 🍷
