“ Hello All,
Sorry to hear about the passing of Jerry Lee. A school buddy of mine with memories of he and I regularly crossing my mind. (Mainly for the whuppin I got, my sister and I) Jerry wasn't with us for that! I had moved away in 1981 from Roswell, and still had gone back and did not plan but just happened either run into Jerry or I had been to his shop on Pine Lodge Road several times.
Deep felt sorrow for my friend and pal.

“ Dear Mike, Adam, Joyce, Gene and Carla: I was shocked to say the least when I found out Jerry was no longer with us. We spent many vacations together. We owned a cabin together. He will be sorely missed by all who loved him. His love of animals and the love of outdoor activities was overwhelming. His animals loved him and much as he loved them. While Jerry was out sitting in his lawn as he often did at sunset, his donkey came up to him and turned around and backed up like he wanted to sit in Jerry's lap. I could go on forever with great, great memories. My heart is with yours. Ollie and Patti King

“ Jerry and I were friends as teenagers. I remember when he worked at Sonic and at Super Meat Mart. Jerry was a wonderful person and friend. I had a dream about a murder the night before Jerry was killed. He was not in my dream but I was quite shocked when I read about him in the newspaper. I am so sorry. My thoughts and prayers are with all of you, his family.

“ I am sorry to hear of your lose. Jerry was a client and friend when I was living and working in Roswell with Bill Golden. It will take time to get over the shock of losing a loved one but we have to look to the Lord to give us guidance and to ease the pain.
Your family will be in my prayers in the coming months.

“ Mike and Adam, we were so saddened by the news of your Dad's death. Jerry was truly one of the 'good guys' - always willing to help others, always ready for a good time, always proud of you boys. Y'all were our neighbors for many years and we all had a lot of fun way back then. What I remember most are those great camping trips and your Dad's love of the outdoors.
We are so sorry for your loss - Jerry was one of the best and will be missed by many.
With love and sympathy....Toni & Randy
