“ *Kathy always said we have many acquaintances but few true fiends. We always considered ourselves among the true friends even when we all left CA. We will miss their frequent emails. But mostly just knowing that they were there for us.
Eric and Scott our prayers are with you in your time of loss. May God watch over you and keep you in his care.*

“ I am so very sorry and upset that Jerry and Kathy's grandson Ryder Strom was omitted from their survivor list. Jerry and Kathy loved their grandson and made many a trip to California to visit him. They never forgot him and enjoyed their visits with him. Ryder had intended to go to his grandparents services, but was not notified as to when and where.

“ I knew Kathy and Jerry all of my life. They were good friends of my parents, Cliff and Peggy Stover. They have been present for every special occasion our family has had. I have always looked up to them like my second parents. I will miss them more than words can say...
