“ I miss her sense of humor so much. She used to hide my cigarettes because she wanted me to quit. She used to say "hey, you dropped your pocket" and we would fall for it every time. She was a very caring person and she would brighten everyone's day. She will truly be missed and I am thankful that I was able to work with her and get to know her.

“ I miss you so much Sis. I feel lost without you.. Gonna miss ur laughter.. 😭😭😭. If only I could spend one more day with you just to hear you laugh and smart remarks. I miss that about you. Picking on Ur Lyssabear. We will meet again.. Instead of celebrating our birthdays together we will be celebrating your life and new journey in life.
