“ *Hey Jessie, this is Manuel Vigil in Little Lake, Michigan. We had some good times together growing up, you across street from me. You used to give me rides to school in your 1961 white impala, then you got a 64(I believe) impala. Remember the last day of school we all got in your car and drove north to a small ranch you all had and it was the first and probable the last time I ever got on a horse. I looked down my left side, and there I went, down to the ground. We all laughed our butts off. We did many things together, me, you, jimmy, and ray. Lots of fine memories with you growing up in good ole Roswell. I left there in 1974 and now after retiring USAF, live in Michigan.*

I am so sorry for you loss Silvia, I never met you but seeing your family here, I know you had a great life with "Shui".

LOVE MANUEL VIGIL
