To Those I Love and Those Who Love Me While I am gone release me, let me go. I have so many things to see and do. You mustn't tie yourself to me with tears. Be happy that we had so many beautiful years. I gave to you my love, You can only guess How much you gave to me in happiness. I thank you for the love you each have shown But now it's time I traveled on alone. To grieve for me a while if grieve you must Then let your grief be comforted by trust It's only a while that we must part To bless the memories within your heart I won't be far away, for life goes on, So if you need me, call and I will come. Though you can't see me or touch me, I'll be near. And if you listen with your heart, You'll hear all my love around you soft and clear, And then when you must come this way alone, I'll greet you with a smile and say... "Welcome Home"

“ We have so many wonderful memories of you from when you were a toddler full of love, joy, peace, kindness, loyalty, and so many more qualities; and as you have grown up as a handsome young man. You are so loving and caring and we are so glad you were such a big part of our life. And now you get to go see everybody who has been waiting for you and truly go home for Christmas for good. I know my mom; Mary Hope will be there with open arms to receive you with true blue love that she's always has had for you. Many prayers of protection of our Heavenly Father's precious blood will be over your children through out their journey on this earth. Rest in Peace Primo.....I Love You your prima Hope and family.
