“ *Mrs. Sedillo was such a wonderful person, my brother (Benji) and I grew up with Mike and Paul and every summer we would stop by the Sedillo's house on our way to the swimming pool and she would be there to make sure the 4 of us would make it to the pool, she would even pick us up so we didn't have to walk...what a wonderful person she was. We were all so blessed to have her in our lives growing up. My thought and prayers are with the family. In her memory let's celebrate the time she gave to us.*

“ *Jessie was like a second mother to me from birth until I was about 5 years old. I was at the Sedillo home as much as my own. My thoughts and prayers are with the Sedillo family.*

“ *I was so sorry to hear of Jessie's passing. I worked many years with her while we were both employed with the state and she was a good friend for many years. She had a good heart and was always willing to help anyone. She will be dearly missed. God Bless each of you during your time of sorrow.*

“ My deepest sympathy and condolences to Judy, Margaret, Mike and Paul for the loss of your Mom. She was a wonderful person who unconditionally loved and supported her kids and their friends. As one of those friends I am eternally grateful to Jessie for providing a safe harbor during the turbulence of my youth. She was wise and patient. She never judged, just loved. She would welcome you to the house no matter what time of the day or night you showed up. She would even come get you if needed. She treated me like a son, even calling me, mi hijo, and it made me proud. She loved to laugh at our youthful exuberance. Jessie is at rest now in the kingdom of our Father, Jesus Christ. She leaves a strong legacy here on Earth through her children and the many lives she touched. With much love, Mikell.
