“ To my loving family. I can not say how sorry I am for our loss. Nanny was one of the strongest and most caring people I know. Nanny and Pa would always wake me up before he had to go to work and go look for frogs. When ever Jody and I would stay the night Nanny would pay us a dime or a quarter for who ever went to sleep first. I think the best memory is Nanny always had change for us all to get snow cones and would always play hopscotch. We the grandchildren always wanted for nothing. I will miss her with all my heart and will always cherish every memory I had with her. I love you guys! Best wishes from Alaska. Jessica

“ Just wanted to let you know my prayers are with you. I remember your mom from when we were kids. Even though it has been a long time since I've seen any of you, my thoughts are with you. It's been 10 years since we lost mom and not a day goes by that I don't want to talk to her about something. So I do. God bless.
