“ I knew Jimmie as a young doctor. He was a dedicated medical professional. He had the two major requirements to be successful in the world of medicine ie knowledge and compassion. Jimmie was a good human in real time. I knew Nedra also and met other family members. May God grant peace to the family in a difficult time Dr Tom Ramage

Jimmie and I went to school together at Mesa, he was a good friend, then we had to go to separate high schools, but our friendship remained and he took me to my Senior Prom...sadly we lost contact over the years but the memories of our fun days remain. Rest in Peace Jimmie..
