“ *Barbara,*

I'm very sad to see that Jim has passed away. I worked with him many years at Ray Bell. He was quite the character. I can see him sitting in his office, at his desk at break time with the lights off and his eyes closed. Resting his eyes he would say. I'd ask him how he was in the mornings and he would always tell me "Finer than a frogs hair split three ways". LoL He will be missed.
