“ *I will miss Jim because he was always a good guy to be around, and he always treated me with respect and dignity. I didn't have as much time around him as some, but those times will be remembered with fondness.*

“ *Jimmy, you were my life long friend, and although we havent talked or seen each other in a very long time, I have always held the momories of our childhood and growing up very near and dear to my heart. I Love you as one does a brother, and I will see you once again where we will talk about the great times and our youth in the great Bula land on the other side. I know you were tired in this world as you tried to fight for the beautiful life you were, but I know the good Lord has given you the rest. May you rest in peace my good friend, rest in peace. Sig*
